# Pull up banners

**System size:** 800mm x 2000mm. Easy to assemble, includes lightweight carry case.

## Feeling unwell at school?

If you begin to feel unwell and have a continuous cough please speak to a teacher at a safe distance.

Item no: SchPullup003

## Keep clean, stay safe at school.

### Wash your hands frequently.

Regularly and thoroughly clean your hands properly with soap and water or hand rub. Washing your hands with soap and water or using hand rub kills viruses that may be on your hands.

### Avoid touching eyes, nose and mouth.

Hands touch many surfaces and can pick up viruses. Once contaminated, hands can transfer the virus to your eyes, nose or mouth. From there, the virus can enter your body and can make you sick.

### Make sure you, and the people around you, follow good respiratory hygiene.

Droplets from your cough or sneeze spread the virus. By following good respiratory hygiene, you protect the people around you from viruses such as cold, flu and COVID-19. This means covering your mouth and nose with your best elbow or tissue when you cough or sneeze. Then dispose of the used tissue immediately.

### Feeling unwell?

If you have a fever, cough and difficulty breathing, please speak to a teacher at a safe distance.

Item no: SchPullup004

# Posters / Signs

**Stock options:** Paper, synthetic paper, foamex or dibond

## Keep clean, stay safe

Practise these steps to help protect yourself and other pupils.

**Wash your hands frequently.**  
Regularly and thoroughly clean your hands properly with soap and water or hand rub. Washing your hands with soap and water or using hand rub kills viruses that may be on your hands.

**Avoid touching eyes, nose and mouth.**  
Hands touch many surfaces and can pick up viruses. Once contaminated, hands can transfer the virus to your eyes, nose or mouth. From there, the virus can enter your body and can make you sick.

**Make sure you, and the people around you, follow good respiratory hygiene.**  
Droplets from your cough or sneeze spread the virus. By following good respiratory hygiene, you protect the people around you from viruses such as cold, flu and COVID-19. This means covering your mouth and nose with your bent elbow or tissue when you cough or sneeze. Then dispose of the used tissue immediately.

**Feeling unwell?**  
If you have a fever, cough and difficulty breathing, speak to a teacher from a safe distance.

**Pupils keep  
2 metres apart.**

Please stay at least 2 metres distance from any other pupil and teacher within the school.

An illustration of two stylized human figures, a boy on the left and a girl on the right, both wearing school uniforms. They are standing side-by-side with a '2M' label between them, indicating a two-metre distance.

Item no: SchPoster005

**Feeling unwell?**

If you begin to feel unwell and have a continuous cough please speak to a teacher at a safe distance.

An illustration of a person's head in profile, facing right. A yellow thermometer is positioned vertically against the forehead, with a red bulb at the bottom, symbolizing a fever.

Item no: SchPoster006

**Class Rules**

- ✓ Please stay 2 metres apart from other pupils while sat at your desks.
- ✓ Avoid touching your eyes, nose and mouth.
- ✓ Always sneeze and cough into a bent elbow.
- ✓ If you begin to feel unwell, please let your teacher know.

An illustration of two stylized human figures sitting at desks. The desks are represented by simple lines. A '2M' label is placed between the two desks to indicate the required distance.

Item no: SchPoster007

**Before entering.**

If your child has a fever and a continuous cough please do not enter the building.

The health and wellbeing of our pupils and staff is our priority. If your child is feeling unwell it is advisable to return home and isolate for a minimum of 7 days. Please call the school and inform your child's teacher of their absence.

An illustration of a hand with fingers spread, enclosed within a blue octagonal border. The word 'STOP' is written in white capital letters on the palm of the hand.
